Going Back to School

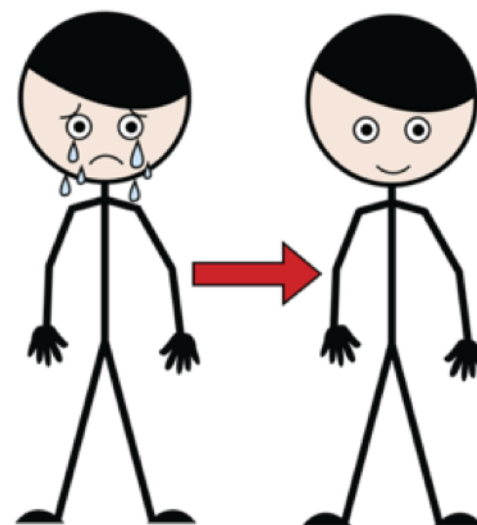

©Teach2Succeed

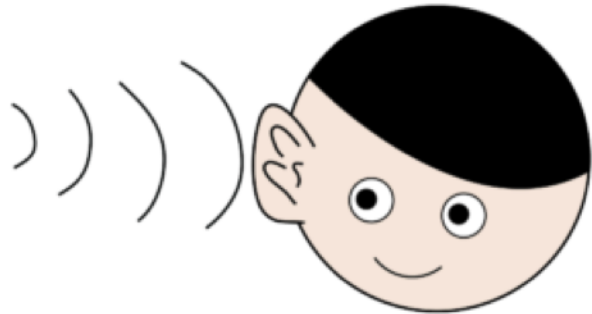

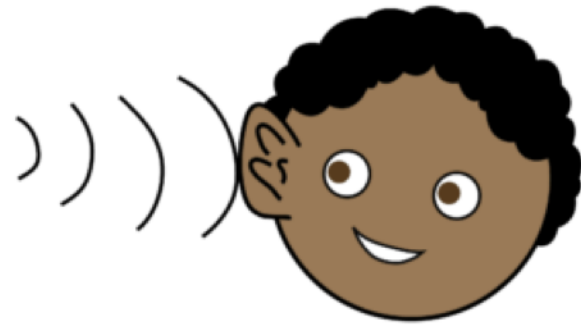

It's time to go back to school. I will have a new class and a new teacher.

When I get to school, I may
sit new places or do new
things.

I may be nervous, but I
can be flexible and try
new things!

I will listen to and obey my
new teacher. I can be a
great listener!

4

When it's time to work, I
will sit at my desk and
work hard.

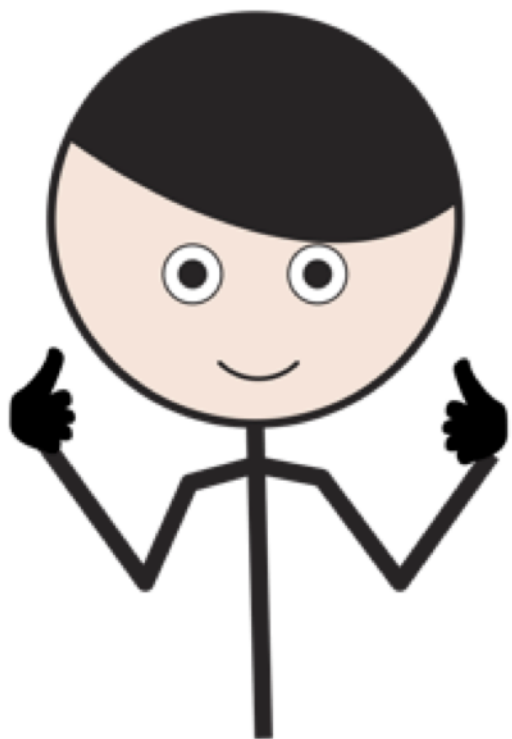

5

At recess I will ask friends
on the playground, " Can I
play?" We can play
together and be friends.

At the end of the day, I
will pack up my backpack
go home.

My family will be so proud!
I had a great day at
school!
